

FIRST NATIONAL BANK ★U★S★A★

Dear Friend,

First National Bank USA is pleased to announce that it has again been ranked the #1 bank in Louisiana for the second quarter of 2024 by Bank Performance Report, which ranks banks based on information obtained from public data in reports sent to the FDIC. There are 50 categories, including the bank's total performance, that determine the ranking. This is an incredible honor, as First National Bank USA was previously ranked #1 for March 31, 2023, earning the top ranked bank in Louisiana for a quarter in both 2023 as well as 2024. First National Bank USA was ranked #1 for "Overall Performance" of the 108 Louisiana domiciled banks as of June 30, 2024. The complete report is attached for your reference and posted on our web page, www.fnbusa.com, see page 28 of the report.

Of the banks ranked #1 in their 50 respective states, First National Bank USA was the 13th ranked of these #1 ranked banks. There are 4,568 banks and savings institutions insured by the FDIC in the United States.

In addition to the #1 Ranking award by Bank Performance Report, First National Bank USA continues to receive a 5-Star "Superior" rating by Bauer Financial, Inc., recognizing it as being a 5-Star bank, its highest ranking.

As the top ranked bank in Louisiana both for the quarter ended June 30, 2024, and the quarter ended March 31, 2023, First National Bank USA looks forward to an excellent future as we prepare for our 50th Anniversary in 2025.

First National Bank USA offers a diverse array of products including multiple types of both business and consumer loans, as well as various deposit products. We are SBA and USDA lenders. The Bank is also a Community Development Financial Institution. The goal is to maintain excellence and partner with our local community to help satisfy all its financial needs with No Hassle Personal Service. We have two offices, in Boutte and LaPlace.
